April 24-26, 2026

Cebu, Philippines

2026 10th International Conference on Intelligent Systems, Metaheuristics & Swarm Intelligence

2026 10th International Conference on Intelligent Systems, Metaheuristics & Swarm Intelligence (ISMSI 2026). The conference, co-organized by India International Congress on Computational Intelligence (IICCI, www.iicci.in), will be held in Cebu, Philippines during April 24-26, 2026. The main objective of ISMSI 2026 is to present the latest research and results of scientists related to Intelligent Systems, Metaheuristics & Swarm Intelligence topics. This conference provides opportunities for the delegates to exchange new ideas face-to-face, to establish business or research relations as well as to find global partners for future collaborations. We hope that the conference results will lead to significant contributions to the knowledge in these up-to-date scientific fields.

Organizer

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to:

- Algorithmic Intelligence in Optimisation, Control and Design
- Approximate and exact algorithms for Combinatorial and Continuous Optimisation
- Cuckoo Search
- Wolf Search Algorithm
- Elephant Search Algorithm
- Monarch Butterfly Algorithm

For more topics, please visit the website: <http://www.ismsi.org/cfp.html>

PUBLICATION & HISTORY

The accepted and registered papers will be included into ISMSI 2026 Conference Proceedings, and submitted to be *indexed by Ei Compendex and Scopus*. The authors of the papers will be invited to participate in the ISMSI 2026 to display their research results. Selected papers after at least 30% extension will be recommended to Enterprise Information Systems (EIS) Special Issue:

KEYNOTE SPEAKERS

Prof. Pietro S. Oliveto

Southern University of Science
and Technology, China

Prof. Eugene Rex Jalao

University of the Philippines,
Philippines

CONFERENCE SCHEDULE

April 24, 2026

10:30 - 17:00 --Onsite Sign-in

Participants are supposed to sign in at the conference venue and collect all the conference materials at the registration counter on this day.

April 25, 2026

9:00 - 12:00 --Opening Ceremony & Keynote Speeches

13:00 - 17:00 --Breakout Sessions

April 26, 2026

9:30 - 17:00 --Virtual Sessions

CONFERENCE VENUE

Cebu City is a highly urbanized city in the Central Visayas region of the Philippines. According to the 2020 census, it has a population of 964,169 people, making it the sixth-most populated city in the nation and the most populous in the Visayas and the Central Visayas Region. It serves as the capital of Cebu wherein it is geographically situated and grouped under the province by the Philippine Statistics Authority, but is one of three cities (together with Lapu-Lapu and Mandaue) that are administratively independent of the provincial government and also the largest city within that province. It also serves as the regional center of Central Visayas, and its metropolitan area exerts influence on commerce, trade, industry, education, culture, tourism, and healthcare beyond the region, over Central and Eastern Visayas and partly over Mindanao. It is the Philippines' main domestic shipping port and is home to about 80% of the country's domestic shipping companies. Additionally, Cebu City is the prime trading center of the southern Philippines.
